

## **PRESS RELEASE**

Mumbai, August 16, 2023

### **Brenntag Specialties presents natural, healthy and sustainable solutions at India's largest food and ingredients event**

Brenntag, the global market leader in chemicals and ingredients distribution, is participating at the upcoming Fi India (Food Ingredients India) 2023 which will be co-located with ProPak India, bringing together local and global tastemakers at one dedicated event to address India's burgeoning food and ingredients market.

Fi India will be taking place from August 17 - 19 at the Bombay Exhibition Centre in Mumbai, India. The theme of the Brenntag booth (Hall 1, stand A08) is "Natural, Healthy and Sustainable", showcasing Brenntag Nutrition division's technical expertise, tailor-made formulation and applications addressing various segments such as bakery, beverages, confectionary, nutraceuticals, vegan and dairy.

"We are thrilled to delight our visitors to experience food and beverage applications like mayonnaise, gummies, green tea, vegan cakes, and vegan drinks using natural, healthy and sustainable solutions with immunity-boosting, anti-inflammatory and gut health protection properties," said Lokesh MA, Regional Commercial Director of Nutrition for South Asia, Brenntag Ingredients India Private Limited.

### **About Brenntag:**

Brenntag is the global market leader in chemicals and ingredients distribution. The company holds a central role in connecting customers and suppliers of the chemical industry. Headquartered in Essen, Germany, Brenntag has more than 17,500 employees worldwide and operates a network of about 600 sites in 72 countries. In 2022, Brenntag generated sales of around 19.4 billion EUR. The two global divisions, Brenntag Essentials and Brenntag Specialties, provide a full-line portfolio of industrial and specialty chemicals and ingredients as well as tailor-made application, marketing and supply chain solutions, technical and formulation support, comprehensive regulatory know-how, and digital solutions for a wide range of industries. In the field of sustainability, Brenntag pursues specific goals and is committed to sustainable solutions in its own sector and the industries served. Brenntag
