

Relaxed beauty night stick

Skin care –
face

Water
conscious

A travel-friendly beauty stick that helps providing skin with protective, firming, soothing, repairing, antioxidant, anti-inflammatory, rejuvenating, anti-aging, anti-wrinkle and anti-pollution agent.

Oleogy LEOT: An amino-acid derived oil gelling agent, specifically designed to create transparent sticks of high naturality. Can be used in a wide range of applications, including skin care, sun care, body and face sticks makeup (foundations, blush, eye pencils and lip care), offering high-quality formulations.

Cerafy Pure NPo: A highly efficient ceramide solution for skin care and beauty care, providing a biomimetic approach to supplement the skin with hero ingredients that mimic natural ceramides. This pure Ceramide NP is pivotal for enhancing skin barrier function and moisture retention.

Dermalcare® LIA MB: Emollient with silicone-like sensorial profile, high spreadability and fast absorption on the skin. It is derived from sugar cane and PKO and certified as RSPO MB grade, fully biodegradable and environment friendly.

Imdermalab Amorpheus: A unique product which is a blend of several ingredients that help stimulate alpha brain waves, which help you relax and fall asleep. In a clinical study, this product was found to help increase sleep efficiency by 67% when used at only 0.5% in a leave on formulation.
