

Oily ice cube

Oily ice cube is the innovative tinted lip balm everyone's been waiting for! Experience the magic of its melting texture that leaves behind a nourishing and rich film on the lips, providing both hydration and protection. With a shiny gloss, this lip balm enhances the natural beauty of the lips while keeping them moisturized and shielded. **CosVivet Beeswax bleached** and **Candelilla Wax** provide the viscosity to this formula and **STEPAN-MILD® GCC-FL/MB** gives it the perfect melt-on-the-skin properties. **Kenapure Colors and Pigments** impart the beautiful sparkling violet color to this formulation. Includes **STEPAN-MILD® L3-G/MB**, a stabilizer, emulsifier, emollient and solubilizer for a light, soft and moisturized skin feel. **Durosoft PG10-O**, the natural O/W emulsifier and emollient, gives the formulation a unique sensory texture, and its lipophilic characterists offer extra moisturization benefits. The **Bubble Gum fragrance** gives this formula a trendy playful note.

Elevate the lip care to another level with **Oily ice cube** – the ultimate lip protection!

Phase	Trade Name	INCI	% W/W	Supplier	Function
