

## Short Profile

### **JENS BIRGERSSON**

**Chief Executive Officer, Brenntag SE**

Jens Birgersson (born 1967, Swedish) joined Brenntag as a Member of the Management Board on August 1, 2025, and holds the position of Chief Executive Officer effective September 1, 2025.

Mr. Birgersson has more than 20 years of international leadership experience with a proven track record of guiding organizations to success through strategic vision, technology leadership and effective execution. The manager, who was educated in Sweden and the US, holds master's and bachelor's degrees in physics engineering and economics. He brings extensive, on-the-ground experience across five continents, including CEO roles in Europe, Australia, and the United States, with over 10 cross-border relocations. He started his career and worked for more than 20 years at ABB Group, a global technology leader in electrification and automation, working in Switzerland, Sweden and South Africa. This includes the role as ABB Group's Senior Vice President and Head of Business Unit Network Management.

From 2005 to 2008 he was Executive Vice President and Head of Business Group Performance Minerals & Pigments of Imerys, Belgium. Most recently, from 2015 to 2024, Jens Birgersson served as President and CEO and President of Rockwool Group, Denmark.

Mr. Birgersson is also a member at non-group companies or comparable functions:

- dormakaba Group, Rümlang, Switzerland (Member of the Board of Directors)
- Randers Reb, Randers, Denmark (Chairman of the Board of Directors)
- NREP, Copenhagen, Denmark (Member of the Advisory Board)
