Multisol appointed as sole distributor for Infineum in Spain, Portugal, Morocco, Algeria and Tunisia

Multisol Europe Ltd, a Brenntag Group company, has been appointed as the distributor for Infineum Lubricant and Fuel Additive products in Spain, Portugal, Morocco, Algeria and Tunisia, effective 1st of March 2019.

Having worked with the Infineum Group since 1990, this latest appointment extends the relationship between the parties beyond their existing arrangements in Europe, the Middle East, Africa, Asia Pacific and Latin America.

Multisol is a market leader in the formulation, blending and distribution of high value fuel and lubricant additives, base oils and specialty chemicals. Multisol Europe Ltd, part of the Brenntag Group since 2011, operates in various geographic end markets across Europe and Africa.

Luca Gaggero, Sales Director at Infineum, commented on the appointment: "Our collaboration with Multisol is strong; built on knowledge, experience and a robust working relationship. This appointment marks an additional strategic step on Infineum's part, as we look ahead to fulfilling the growth potential of our existing and new customers in the territories."

David Hopkinson, CEO Multisol Group: "We are very pleased about this next step in our relationship with Infineum and look forward to connecting customers to Infineum through the value-adding Brenntag service in Iberia and North Africa."

This territory expansion in the relationship with the Infineum Group will help to further support customers in this region with tailor-made distribution solutions for Infineum products into the lubricants and fuels market.

About Brenntag:

Brenntag, the global market leader in chemical distribution, covers all major markets with its extensive product and service portfolio. Headquartered in Essen, Germany, the company operates a global network with more than 580 locations in 73 countries and a workforce of more than 16,600 employees. In 2018, the company generated sales of EUR 12.6 billion (USD 14.8 billion). Brenntag connects chemical manufacturers and chemical users. The company supports its customers and suppliers with tailor-made distribution solutions for industrial and specialty chemicals. With more than 10,000 products and a world-class supplier base, Brenntag offers one-stop-shop solutions to around 195,000 customers. This includes specific application technology, an extensive technical support and value-added services such as just-in-time delivery, product mixing, formulation, repackaging, inventory management and drum return handling. Long-standing experience and local excellence in the individual countries characterize the global market leader for chemical distribution.

About Infineum:

With global headquarters in Milton Hill, UK, the Infineum Group of Companies is a world leader in the formulation, manufacturing and marketing of petroleum additives for lubricants and fuels. Infineum additives are used in automotive, heavy-duty diesel and marine engines, in diesel fuels, and also in small engines, automotive transmissions, and gas engines. Infineum customers include oil companies, other lubricant and fuel marketers and OEMs. The Infineum Group has Business & Technology centers in the USA, UK, Singapore and China and has sales representation in over 70 countries.
