Brenntag Specialties expands its collaboration with preservatives producer ISCA in Europe

Brenntag, the global market leader in chemicals and ingredients distribution, today announced the expanded distribution agreement with ISCA, a leading manufacturer and distributor of specialty chemicals, focused on preservatives for the cosmetics industry, for several markets in Europe.

Following the successful collaboration with ISCA in the UK, Brenntag Specialties expands its collaboration with the preservatives producer to include France, Benelux, Poland, Slovakia, Croatia and Slovenia as well as Germany, Switzerland and the Nordic region.

The ISCA product range includes antibacterial additives, multifunctional and preservative free antimicrobials, parabens as well as paraben free liquid blends.

“We are proud to expand our strategic partnership with ISCA. This collaboration perfectly complements our existing product portfolio, allowing our customers the convenience of developing and sourcing their entire formula from one source. In addition, customers are fully supported by a dedicated team of industry experts and a broadened product portfolio,” states Michael Wilkop, President of Personal Care and HI&I EMEA, Brenntag Specialties.
