### **Brenntag in India earns Great Place to Work® Certification for the fifth consecutive time, demonstrating strong commitment to company culture**

Brenntag, the global market leader in chemicals and ingredients distribution, is proud to announce that Brenntag in India has been certified as a Great Place to Work® for the fifth time in a row after a thorough, independent analysis conducted by Great Place to Work Institute India.

This certification is based on direct feedback from about 100 Brenntag employees in India as part of an extensive and anonymous survey about their workplace experience.

“Our track record in certification as a Great Place to Work® at Brenntag in India speaks for itself. This continued recognition over the past five years belongs to all colleagues in India who work every day to make Brenntag not only a great but also a very safe place to work. Every employee participated in this endeavor and it gives me an immense pride to be part of Brenntag in India,” says Alok Sharman, Regional Director - South Asia and Managing Director - India.

Providing a working environment where the best people want to work is a core part of Brenntag’s vision. The company cares for its people, actively promotes collegiality, and team spirit, and encourages open dialogue and innovative ideas. The foundation of Brenntag’s daily work, as embedded in its core values, is a culture of fairness, respect, caring, and support.

Nidhi Verma, Human Resources Manager, Brenntag in India, states: “We are extremely proud of our employees who are continuously striving to make our organization a great place to work. While awards such as this are great recognition, it is a feature of our daily business environment that makes Brenntag attractive to future colleagues and highlights our commitment to a truly sustainable global business.”
