Mumbai, February 14, 2024

**Brenntag Specialties showcases its latest innovative and sustainable paints and coatings solutions at PAINTINDIA 2024**

- **Brenntag Material Science Innovation and Application Center in Navi Mumbai delivers customer solutions that drive efficiency, enhance performance, and minimize environmental impact**

Brenntag, the global market leader in chemicals and ingredients distribution, will present its latest high-quality chemical solutions for various industrial applications, including paints, coatings, adhesives, and sealants, at PAINTINDIA 2024, taking place at the Bombay Exhibition Centre in Mumbai from February 22-24.

The innovative solutions that Brenntag Material Science offers, which are tailored to meet the changing needs and demands of the paints and coatings sectors, will be on display at the Brenntag booth, which is in Hall 1 - C3.

Our team of experts will be on hand to provide in-depth insights, technical expertise, and personalized recommendations to address specific challenges and requirements.

“We are witnessing the paints and coatings markets’ significant growth in India, fueled by urbanization, increased disposable incomes, and investments in infrastructure projects. With our global expertise and the Material Science Innovation and Application Center in Navi Mumbai, we are in a good position to address trends such as sustainability, digitalization, and a focus on decorative paints and coatings segments,” said Sanjay Karkhanis, President, CASE, Global (Coatings, Adhesives, Sealants and Elastomers), Brenntag Specialties.

Santosh Satam, Director, CASE, Asia Pacific, Brenntag Specialties, added, “We are thrilled to reconnect with our existing customers and meet new ones at PAINTINDIA. From eco-friendly formulations to product life cycle analytical tools, we look forward to showcasing our latest innovations at the event.”
