Home Care and I&I Cleaning Solutions

A high performing surfactant blend for broad range soils

Dehypound® HDG is a non-ionic surfactant high performance blend with excellent multi-soil cleaning properties. It is designed to be formulated in Institutional and Industrial heavy duty soil cleaning and degreasing products.

*Mechanical and lubricant soil is H6, ASTM 4488 Method. SMP is Sodium metasilicate pentahydrate.

Application Possibilities

- Acid and Alkaline Cleaner or Degreaser
- Brewery and Dairy Cleaner
- Car, Truck, Rail and Marine Cleaners
- Fabric Prespotter
- Metal Cleaner
- Oven and Grill Cleaner

Product benefits

Top notch degreasing performance:

- Powerful cleaning performance without solvents
- Superior degreasing performance over a wide temperature range
- High performance multi application solution for broad range soils
- High active level, ideal for concentrated formulations

Product synergies

Superior formulation flexibility thru compatibility with:

- Nonionic, anionic, cationic (including quaternary) and amphoteric surfactants
- Strong acid products
- Strong alkali products

Safety We know of no ill effects that could have resulted from using our products for the purpose for which they are intended and from processing them in accordance with current practice. According to the experience we have gained up to now and other information at our disposal, our products do not exert any harmful effects on health, provided that they are used properly, due attention is given to the precautions necessary for handling chemicals, and the information and advice given in our safety data sheet are observed. Details about the classification and labeling of our products and further advice on safe handling are contained in the current safety data sheets. **Note** This document, or any answers or information provided herein by BASF, does not constitute a legally binding obligation of BASF. While the descriptions, designs, data and information contained herein are presented in good faith and believed to be accurate, it is provided for your guidance only. Because many factors may affect processing or application/use, we recommend that you make tests to determine the suitability of a product for your particular purpose prior to use. It does not relieve our customers from the obligation to perform a full inspection of the products upon delivery or any other obligation. NO WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE MADE REGARDING PRODUCTS DESCRIBED OR DESIGNS, DATA OR INFORMATION SET FORTH, OR THAT THE PRODUCTS, DESIGNS, DATA OR INFORMATION MAY BE USED WITHOUT INFRINGING THE INTELLECTUAL PROPERTY RIGHTS OF OTHERS. IN NO CASE SHALL THE DESCRIPTIONS, INFORMATION, DATA OR DESIGNS PROVIDED BE CONSIDERED A PART OF OUR TERMS AND CONDITIONS OF SALE.
